Spot Candy

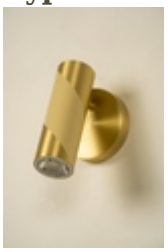
New

Collection: Candy

Designer: Jean-Baptiste Fastrez

The Candy collection was designed to showcase the core expertise of CVL: craftsmanship and the shaping of brass in tubular forms. Objects are reduced to their essence to express the purity of the metal and the precision of CVL’s signature finishes. This apparent simplicity is subtly enhanced,
or even counterbalanced, by a lacquered spiral pattern that wraps around the tube like a candy cane.

Types of design



Spot Candy
