

ATMOS

DESIGNED BY ÉMILIE CATHELINÉAU

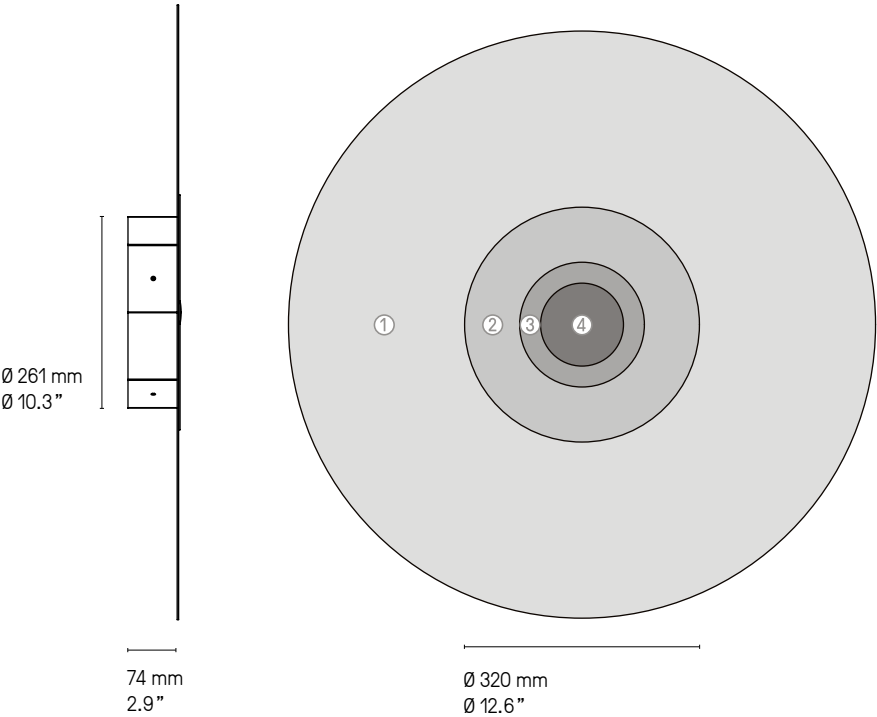

Au centre de sa grande couronne ajourée, les disques concentriques d'*Atmos* se succèdent jusqu'à son cœur lumineux. Grande sœur de l'applique *Earth*, *Atmos* se distingue par sa grande taille et la multitude de combinaisons de décors possibles.

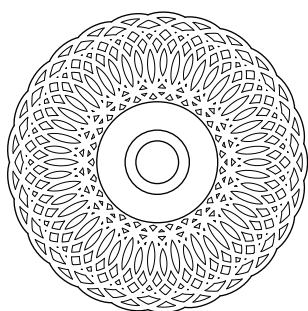

At the center of its large openwork crown, the concentric discs of *Atmos* follow one another up to its luminous heart. Big sister to the *Earth* wall lamp, *Atmos* is distinguished by its large size and the multitude of possible decor combinations.
